***How many times can you say... “Art Bingo?”***  
**Directions: Each week, select an art idea and create!**

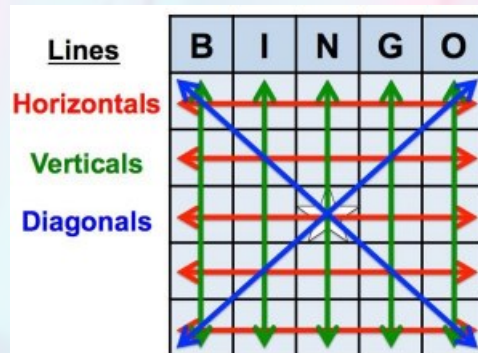

## How to use the chart and this guide:

- 1) Choose an idea that sounds fun
- 2) Find the corresponding number on the attached pages
- 3) Read directions/follow video tutorials/look at examples
- 4) Create!

**\*ASK FOR PERMISSION AND HELP FROM PARENTS/GUARDIANS\***

*How many times can you fill five spaces and say "Art Bingo!"*

*Acceptable Bingo Lines:*

*Keep track of your own bingo score card!*

## 2. Shadow Drawings

**Directions:** Find objects in your home that create fun shadows, use a light source to emphasize those shadows, use paper, and draw the shadows!

Chalk idea!

### 3. DIY Colorful Scratchboard

**Directions:** Use markers or crayons as a base layer, draw over with black crayon, and scratch away top layer of crayon with a bent paper-clip or other scratch tool to create a fun design

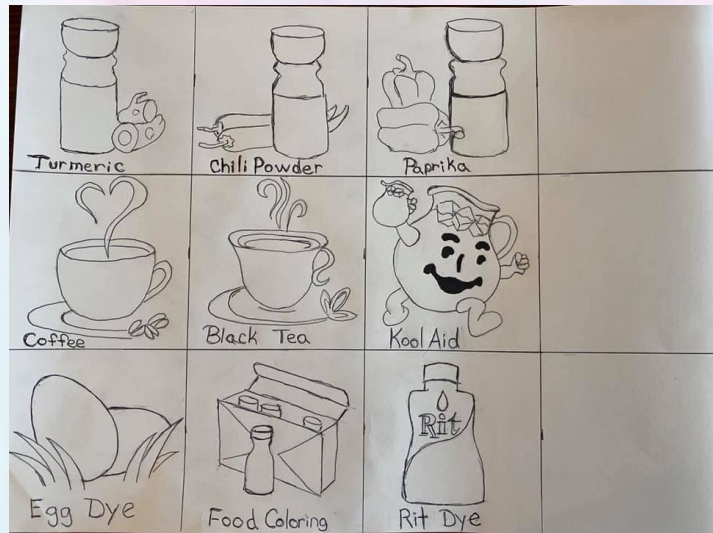

#### 4. Abstract Toilet Paper Roll Sculptures

***Directions: Use a leftover toilet paper roll with some scissors and cut out an abstract sculpture. Position the sculpture to emphasize abstract and interesting shadows when taking a picture.***

## 5. Painting with Food!

**Directions:** Use food items to create your own paint colors! Be sure to label next to each color what you used! You can draw images beforehand if you like. **Tip:** Add water to any food to help you paint with it!

## 6. Fork Weaving

**Directions:** Use yarn, string, or even grass to create a weaving on a fork!

**Video tutorial:**

<https://www.youtube.com/watch?v=ILqWLXMrfuY&app=desktop>

**[4:13] is when the tutorial begins**

## 7. Art History Re-Creation Photoshoot

***Directions: Find objects in your home that you can wear to re-enact a historical painting. Look to these examples for inspiration!***

## 8. Sidewalk Chalk Background

***Directions: Use sidewalk chalk to create a backdrop! After you draw your backdrop, use yourself as a prop and have someone take a picture!***

## 9. Pixel Art

**Directions:** Use this program to create pixel art! Pixels = Boxes

<https://www.pixilart.com/draw>

## 10. Found Object Formations

*Directions: Find objects and create art from these objects!*

## 11. Found Object Portraits

**Directions: Find objects and create a portrait from these objects!**
