The PV Primary newsletter is a bi-monthly communication used to find out the great things that are happening at school and keep informed about upcoming events.

A New School Year!

Welcome to the 2020-2021 school year at PV Primary! We would like to highlight new staff members and let you know about some staff changes you will see this year.

Mrs. Janice Rumbaugh has joined us as a new Intervention Tutor, Mrs. Rachel Timlin will be serving our online learning students this year and Ms. Danni Sharkey will be one of our second grade teachers. We know that no matter the changes, we will continue to provide our students with what is best for their academic and social-emotional well-being!

Our focus again this school year is Positive Behavior Intervention and Support (PBIS). Successful student behavior is a result of a partnership between school staff, students and parents. We will continue to teach, monitor and provide feedback to our students regarding expected behaviors. We will encourage our students to be a PV Primary Laker! Your student should have brought home information about what that means!

We are thrilled to be back to in-person learning and are excitedly looking forward to another fabulous year at PV Primary!

Classroom Party Information

This year our school events are guided by the current situation and health and safety protocols. Unfortunately, we are unable to hold our annual Halloween parade. However, we can still have our

our best.

classroom Halloween parties. These will be held Friday, October 30. Due to visitor limitations in our health and safety protocols, parents are unable to attend the classroom parties. Anything being sent in for the classroom parties needs to be store bought. For details related to your child's classroom party, please contact your child's teacher. Thank you for understanding as we navigate how to have some fun with our kids while still following our health and safety guidelines!

Of course, fun will be had with dressing in costumes the day of our parties! Details regarding Halloween costumes will be sent home at a future date.

Parent-Teacher Conferences

This year parent-teacher conferences will be held during evening and morning hours to accommodate parent work schedules. Conferences will be held Thursday, November 12 from 4-7pm and Friday, November 13 from 8:00 am – 12:00 pm. Teachers will schedule conference times with parents to allow for social distancing and safety and health protocols. Look for more information to come home as we get closer to those dates.
