Mrs. Lori Slekar, Principal

August 26, 2020

Dear Laker Families,

Our building will continue to work towards developing a more positive academic and behavioral environment for everyone at Pymatuning Valley Primary School. As a staff and student body, we will continue to devote ourselves to the School-wide Positive Behavior Intervention Support (PBIS) Program, which we began implementing in the 2019-2020 school year. Part of this process includes developing and teaching specific behavioral expectations to our students. These behaviors will be positively reinforced throughout the school for the remainder of your child's primary-school career at Pymatuning Valley.

We expect all of our students to follow the behavior matrix you will find on the back of this form. The expectations will include:

L-Leader A-Accountable K-Kind E-Engaged R-Respectful

Students will learn how to operate according to being a LAKER in every setting within the school, as well as on the bus. We would like to invite you to join us in continuing as partners in implementing a successful PBIS system. Included with this letter is the matrix that we developed and will use when teaching the LAKER behavior matrix. We encourage each family to have a discussion about the matrix so our students can feel the teamwork between home and school.

Thank you for all of your support. We are looking forward to a **LAKER**-ific school year!

The Pymatuning Valley Primary School Staff
