

Pymatuning Valley Schools

Christopher Edison, Superintendent
Thomas Brockway, Treasurer

In an effort to improve safety for our Pymatuning Valley students who ride our school buses, the District is implementing the following guidelines:

At the beginning of each school year, all children will be bused to and from their **HOME ADDRESS**. If circumstances change and you need alternative busing, a "**REQUEST FOR ALTERNATIVE BUSING**" form needs to be completed and filed in the Transportation Office. Requests may be given to the bus driver or turned into the office of your child's school. There will be only one Alternative Busing Request allowed per school year. **PLEASE ALLOW 48 HOURS TO PROCESS YOUR REQUEST.**

Thank you for your assistance in helping to keep our children safe. Questions should be directed to the Transportation Supervisor at **440-293-5362**.

We appreciate your cooperation.

William Dick, Transportation Supervisor

Christopher Edison, Superintendent of Schools
